AgriChoice[®] Coverages Protect Assets, Solve Problems *AgriChoice – only from Nationwide[®] Agribusiness*

It's planting season and rain is predicted starting tomorrow. Mike needs to finish getting his crop in today, but the good news is he's just got the last 40 acres to plant. There's plenty of time and today's skies are blue. Mike turns his planter into the field just as a speeding truck tops the hill. The truck brakes hard but slides into Mike and his planter. Fortunately, no one is hurt, but the truck and planter are both damaged. Mike is in trouble. He needs to get his crop in.

If Mike has an *AgriChoice[®]* insurance policy from Nationwide[®] Agribusiness, this state-of-the-art farm policy automatically provides for the rental of a replacement planter. Mike only needs to make a phone call and can soon get back into his field.

In addition to coverage for rental reimbursement on farm machinery and equipment, this specialized insurance product also provides:

- Equipment breakdown coverage built in to outbuildings
- Global positioning equipment covered for special causes of loss
- Cab glass breakage written with no deductible
- Foreign object damage to combines covered at no additional charge
- Damage during towing and hitching covered at no additional charge
- Farm machinery contact with roadbed or ground written with no additional charge
- Primary coverage for borrowed farm machinery
- Fire extinguisher recharge costs
- \$5,000 coverage for credit card fraud

In addition to fulfilling farmers' basic property and liability insurance needs, *AgriChoice* offers numerous options and additional features, like equipment breakdown coverage. These coverages packaged into one product offer farmers and ranchers a high level of protection and convenience.

For more information about *AgriChoice* only from Nationwide Agribusiness, contact a Nationwide or Allied Insurance agent. To supplement the *AgriChoice* farm product when needed, these agents can write related coverage lines, including commercial auto and commercial umbrellas.
