Vision Insurance for Small Business

Did you know?

21.5 million AMERICANS aged 18 and older reported experiencing vision loss.¹

Vision care providers are often the first to detect chronic medical conditions — as much as 30% of the time for hypertension and 20% of the time for diabetes.²

Cataract disease affects nearly **20.5 million** Americans aged 18 and older.³

Focus on helping your employees.

One of the ways *benefits* helps its members run their small businesses is by offering great vision care. By offering their employees more options to take care of their vision, the *benefits* to the company become easy to see.

Vision *benefits* include coverage for annual exams and also helps pay for lenses, frames and contact lenses. To find vision care providers in your area, visit VSP® Vision Care at www.vsp.com.

Nationwide® has a singular focus on serving its members. Great vision care, just one of several offerings in the *benefits* package, helps to ensure Nationwide members that the vision for their small businesses remains strong.
