Your wait is over. We’ve made it easy to access your mutual fund account.

You no longer need to wait to see how your investments are doing. With Online Access from Nationwide®, your account is at your fingertips, 24/7.
With Nationwide’s Online Access, you can log in from your laptop, tablet or smartphone to:

• See your mutual fund account information
• Make transactions quickly and easily
• Change your address or other personal information

And when you select Go Paperless, you’ll get quick and easy access to your quarterly statement, tax forms and other documents sooner and have less mail to store or recycle.

Stop waiting for account information. Get Online Access today. It’s easy!

1. Go to www.nationwide.com/mutualfunds and select Log In
2. Choose Mutual funds from the drop-down menu and click “Sign Up for an online account”
3. Establish a new User ID and Password

Then, go to My Profile to select Go Paperless.

Or call Shareholder Services at 1-800-848-0920 for assistance.
