

Nationwide Vantage 360® Fleet QUICK START GUIDE

1

The fleet manager/business owner should have received an email with a username and password to access the Vantage 360 Portal. Search 'Vantage 360' in your inbox to locate.

<http://portal.cmtelomatics.com>

No email? Go to the portal and select 'reset my password.' Enter the email address provided and login instructions will be sent to you.

2

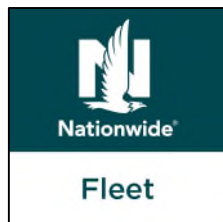

Login to portal and go to the left navigation section. Select the 'Admin' dropdown and click 'Charts.' Access each driver's token.

3

Provide the token to each driver and have them download the app.

Go to the Apple App Store or Google Play Store and search 'Nationwide Vantage 360 Fleet.'

4

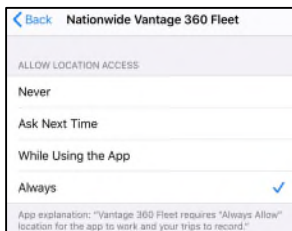

Once the app is launched, the driver will be prompted to enter an Email Address, Username and Token.

5

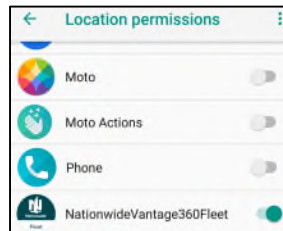

The driver will be prompted with appropriate selections for permissions, which need to remain enabled to successfully complete the program.

Location permissions and Bluetooth must always be turned on:

iOS

Android

Required permissions:

iOS: Location, Bluetooth, Motion & Fitness, Background App Refresh

Android: Location, Bluetooth, Contacts, Storage

6

Tap the menu button (≡) and select 'Vehicles & Tags.' Click 'Link Tag' next to the correct vehicle listed by VIN number.

Once linked, affix the tag to the vehicle's windshield and have the driver complete a trip to finalize program activation. Utilize the portal to manage your fleet!
