**Supplement dated June 13, 2019
 to the Prospectus dated February 28, 2019**

Capitalized terms and certain other terms used in this supplement, unless otherwise defined in this supplement, have the meanings assigned to them in the Prospectus.

On June 12, 2019, the Board of Trustees of Nationwide Mutual Funds considered and approved a proposal to convert existing Class C shares of each Fund to Class A shares of the same Fund and to terminate Class C shares. The conversion is expected to occur on or about August 23, 2019 (the "Conversion Date").

Until the Conversion Date, shareholders may purchase, redeem or exchange their Class C shares in the manner set forth in the Prospectus.

Upon the Conversion Date, all Class C shares will convert to Class A shares of the same Fund based on the relative net asset values of the classes without the imposition of any sales load, fee or other charge. The Funds will cease offering Class C shares on the Conversion Date.

The following table shows the fees and expenses of Class C shares compared to those of Class A shares of each Fund:
