GROUPROTECTORSM GROUP ACCIDENT MEDICAL INSURANCE

When hosting an event such as a fund-raiser, parade, class trip or pageant, you want it to be special. But sometimes accidents happen. That's why we offer GrouProtectorSM group accident medical insurance — to give you peace of mind and allow you to focus on the success of your event.

Our policy provides medical expense benefits as well as death and specific loss benefits to all people working and attending the event.

Providing options to build the best policy for your group.

Our online portal at grouprotector.com makes it easy to compare plans, get a quote and purchase coverage for your group. Options include Primary or Excess Medical Plans.

Primary (first-to-pay) medical plan

- Ideal for groups with participants generally not covered by other insurance
- Typically the first plan to pay claims after a covered event
- Pays covered expenses regardless of other insurance coverage
- Payments from other insurance coverage may be reduced in coordination with policy benefit limits

Excess (next-to-pay) medical plan

- Ideal for groups with participants generally covered by other insurance
- Typically the last plan to pay claims after a covered event
- Will not pay covered expenses to the extent paid by other insurance coverage
- Essentially pays for other plans' deductibles and coinsurance
- Also pays remaining expenses after benefits are exhausted from other plans

Depending on coverage levels, availability of primary and excess plan can vary. Deductibles for excess coverage must be paid out-of-pocket and cannot be paid for by other insurance plans.
